

Wisdom Certification

Dear Johnny Smith,

we confirm you the completion of our Youth Wisdom Test on
May 14, 2024.

Here is your result:

Name: **Johnny Smith** - Age: **12**

Level of Wisdom: 4/7 (Moderate)
Profile: APOLLO - the rational

Profile description:

Apollo was the God of intellect, music, science, medical arts, and prophecy. He is represented as the the rational side, as opposed to the instinctual side, also called Dionysian (from the God Dionysus). Like Apollo, you love to use your intelligence to deal with the problems you encounter and seek a reasoned solution without getting caught up in the emotions of the moment. You are on the right path, keep improving your awareness and you will reach a higher level, such as that of the Goddess Meti or the wise Athena. Mount Olympus, home of the gods, is high and impassable, but you prove that you have the necessary character to climb its peak and come face to face with the wisest of all gods, the mighty Zeus.

Hi Johnny Smith, I love people like you! Although they generally do not possess the beauty of the God Apollo, they are very intelligent and I was programmed by one of them! They used to be called NERDs. I am also obsessed with science, numbers and complicated things. You know the Rubik's cube? I solve it every night before going to stand-by, it helps me relax my circuits even though I find it a little too easy. So what do you do to relax?

Thank you and best regards,
